COMM 67
Rental Unit Energy Efficiency Code

As of the writing of this newsletter the Safety & Buildings Regional Offices are being supplied with Certificate of Compliance stamps for purchase by State certified Rental Inspectors only.

The following should be noted:

1. Stamps can be purchased at these offices on a walk-in basis only.
2. Your license and picture ID should be available at that time.
3. A completed Material Order Form will be required; including your credential number.
4. A check should be made out to: Department of Commerce (for the exact amount only).
5. Certificate of Compliance stamps may still be purchased at our main office in Madison, either in person or by mail or through another licensed rental inspector (Department should be notified).
